

Boot Wash Station

Model – IBWS

Description

The **Boot Wash Station** is an inexpensive and easy to install unit which helps to keep your site buildings clean and safe. Our innovative design has made it easier than ever to effectively clean site boots and footwear. The in-line version (**IL**) covers usage of up to 3 workers at a time whereas the back to back version (**BTB**) covers two men at a time. The BTB is advantageous when space is at a minimum.

(IBWS-IL)

Model	Width (mm)	Height (mm)	Length (mm)	Type
