

NON-SLIP ANTI-FATIGUE MAT

Heavy Duty Non-Slip Anti-Fatigue Mat has an open-grid anti-slip surface with anti-fatigue cushioning. In addition to providing comfort, the anti-slip surface is ideal for slippery environments. The open drainage holes allow for spilt liquids, debris and waste to fall through.

Product Code:
AFMXS

AFM

Product	
Brand	BiGDUG
Range	Anti-Fatigue Mats
Solid or Drainage	Drainage
Structure	Solid
Operating Temperature	-20 C to +130 C
Fire Resistance	n/a
Slip Resistance	Anti-Slip Properties
Chemicals Resistance	Resistant to most solvents and chemicals
Enviroment	Dry, Wet

Part	AFMXS	AFMS	AFM
Part Code			
Material	Natural & Recycled Rubber	Natural & Recycled Rubber	Natural & Recycled Rubber
Surface Finish	Circular	Circular	Circular
Size	800mm x 1200mm	900mm x 1500mm	1200mm x 1800mm
Product Height	14mm	14mm	14mm
Product Weight	3.5kg	5.2kg	9kg
Product Colour	Black	Black	Black
Country of Origin	India	India	India
