Sanitizing Footbath Mat - Tall Wall

Group 222-TW

The world is full of contamination. And while viruses and bacteria have only recently become a major concern, contamination has been infiltrating our homes and workplaces all along. Dirt, grime, and viruses can live on our shoes for days at a time. What are you doing to prevent them from entering your home or workplace? If sanitation and contamination protocols are important to you, then you NEED a Sanitizing Footbath Mat. The Sanitizing Mat aids in destroying viruses, bacteria, and microbes with ease. Simply fill with cleaning solution, and step through to decontaminate shoe soles and boots! Use a simple soap solution for your home and pets, or heavy chemicals to protect from dangerous viruses and bacteria. Thousands of rubber scrapers dislodge dirt and grime, while the disinfecting liquid fills in the gaps! The Sanitizing mat provides you critical protection from deadly contamination.
