24/Seven WorkStation GR

Group 588-GR

24/Seven WorkStation--always a fan favorite--has been improved and expanded to fit today's more demanding workplace. We've taken out some of the excess weight...because not everyone loves heavy mats and high shipping costs! We've upgraded our rubber formulations to give you a broader choice of price points and performance characteristics. And we've added new SKUs, so you now have the option of orange, yellow, and black beveled borders. Choose natural rubber (GR) for water or Nitrile rubber (NBR) for areas with petroleum based fluids. 24/Seven WorkStation is about giving workers the right option in even the toughest and most demanding workplaces.

Available in 2 different rubber compounds based on environmental exposures:

- GR- Water or dry debris
- NBR- Petroleum-based fluids

Wearwell Categories Anti-Fatigue Matting

Suitable Environment Dry, Wet, Slippery

Customisation Level C1 - Standard Sizes

Solid or Drainage Drainage

Compound Grease Resistant Natural Rubber (GR)

Recycled

Warranty 1 Year

Property	Test / Result
Flammability	MVSS 302 / 'A'; Rating
Taber Abrasion	Federal Standard 191 Modified / 1% loss
Temperature Range	-12 to 60_ Celsius
Coefficient of Friction	ASTM F1677 / Dry: COF = .78 / Wet COF = .68
Compression Deflection	Not Available
Tear Strength	Not Available
ESD Rating	Not Available
Dielectric Strength	Not Available
