Product		
Brand	BiGDUG	
Range	Gym Flooring	
Solid or Drainage	Solid	
Properties	Tough elastic, high compression resistance and impact strength	
Tolerances	Length and width ± 1.5%, thickness ± 2 mm	
Slip Resistance Dry Conditions	<105PTV- EN 13036-4:2004	
Slip Resistance Wet Conditions	<75PTV - EN 13036-4:2004	
Abrasion Resistance, MG	<560 - EN ISO 5470-1:2001	
Tensile Strength, MPA	>0,65	
Elongation at Break	>40% - EN 12230:2005	
Hardness	55 up to 75 SHORE A - ISO 868 PN-93 / C-04206	
Density	950 to 1.000kg/m³ - EN ISO 845:2010	
Fire Classification	EFL s1 (DFL & CFL Available) - NOT TESTED	

Note: Images are not to scale.
