Assembly - BiGDUG 24" Tool Chest & Rollcab Combination

1 Lift off the body. The bolts **D**, nuts **B** and washers **C** need to be dismantled.

2 Remove base. Remove 4 screws from the base and discard the screws.

3 Base and castor assembly. The bolts **D**, nuts **B** and washers **C** need to be fixed by wrench, wrench not included.

4 Put the tool chest on the top of the roller cabinet.

5 Lubricate drawer slides periodically. Hardware (nuts, bolts, screws) tighten periodically.
