Quantity: 16

(G)

UPRIGHT
Quantity: 8

If you have any missing components please take note of the part name and contact your supplier.

Shelving is safe when used responsibly. If in doubt, contact the supplier.

Safety Instructions

Information:

If in doubt, contact the supplier:

- Read this guide before commencing assembly and retain for future reference
- Before commencing assembly, unpack carefully and check that all components ordered are included
- Assembly should be undertaken by a minimum of two competent people
- Tools – Rubber faced mallet, screwdriver, or other flat bladed tool
- Assess for floor fixing. Tall narrow bays require this to ensure stability

Caution:

During assembly, ensure to:

- Take care during assembly and in use, particularly when lifting or stretching and when using tools
- Wear appropriate safety clothing – protective gloves and footwear are recommended
- Build on a suitable level floor, which is strong enough to support the load and allow adequate working space
- Dispose of packaging materials responsibly

Warning:

Rules for the safe use of shelving:

- Ensure these instructions are retained for reference and that users are aware of the rules for safe use
- Never climb on the structure or stand on the shelves
- Do not lean or support ladders, steps, or other objects against shelving
- Always use safety steps to reach high shelves
- Load heavy items on the lower shelves and lighter items on the higher shelves
- Ensure that the maximum load carrying capacities are not exceeded
- Please refer to the loading information supplied or online for details
- We recommend this product is fixed to the wall
