

Assembly Sheet

NYLON QUARTERMASTER WIRE BAY SHELVING

- 1** Clip the split grippers together so that the ridge on the inside is in line with the groove in the post, narrow part to the top, wide part to the bottom.

- 2** Clip together as shown.

- 3** Place the shelf on its' side and slide the posts through the corners of the shelf, to the gripper.

- 4** Place the unit upright and gently tap the channel at the corners using a rubber headed mallet, whilst supporting the base of each gripper to fix in position.
