

Pallet Crane Forks

Pallet Crane Forks allow pallets to be picked up and moved using an overhead or lorry mounted crane. The Bow & Eye head of these Pallet Crane Forks offers notched lifting positions for picking up empty or loaded pallets.

The design of the Pallet Crane Forks offers an extremely strong yet lightweight product. The Pallet Crane Forks will come fully tested and certified to comply with Health & Safety Regulations.

Model Ref	Fork Length (mm)	Centre Of Balance (mm)	Free Height (mm)	Fork Section (mm)	Fork Centres (mm)	S.W.L (kg)	Weight (kg)
CFPCFBPG1	970	500	1270 – 1900	100 x 50	300 – 850	2000	150
CFPCFBPG2	1170	600	1320 - 2010	120 x 50	330 - 830	3000	200
