

BUBBLEMAT ANTI-FATIGUE MATS

Hard-wearing bubble top anti-fatigue mat with bevelled safety edging and dome design that is attractive and comfortable. The anti-fatigue mat is designed for longer periods of comfortable standing. The raised bubble pattern helps to stimulate circulation and provides insulation from cold concrete floors. The domed surface also allows debris and fluids to settle and be cleared up easily.

Product Code:
FT05060975

Product	
Brand	BiGDUG
Range	Anti-Fatigue
Solid or Drainage	Solid
Structure	Solid
Operating Temperature	-20 C to +130 C
Fire Resistance	n/a
Slip Resistance	Anti-Slip Properties
Chemicals Resistance	Resistant to most solvents and chemicals
Enviroment	Dry, Wet

Part	FT05060975	FT05060909	FT05060912	FT05060915
Part Code	FT05060975	FT05060909	FT05060912	FT05060915
Material	Natural & Recycled Rubber	Natural & Recycled Rubber	Natural & Recycled Rubber	Natural & Recycled Rubber
Surface Finish	Bubble	Bubble	Bubble	Bubble
Size	450mm x 750mm	900mm x 900mm	900mm x 1200mm	900mm x 1500mm
Product Height	14mm	14mm	14mm	14mm
Product Weight	2.2kg	3.5kg	7.1kg	10kg
Product Colour	Black	Black	Black	Black
Country of Origin	India	United Kingdom	United Kingdom	United Kingdom
ICN Code	40169100	40169100	40169100	40169100
