If you have any missing components please take note of the part name and contact your supplier.

Panels are safe when used responsibly. If in doubt, contact the supplier.

WORKBENCH LEG SET

Safety Instructions

Information

If in doubt, contact the supplier:

- Read this guide before commencing assembly and retain for future reference
- Before commencing assembly, unpack carefully and check that all components ordered are included
- Assembly should be undertaken by two competent people
- Tools – 13mm Wrench (not included), screwdriver (not included) and 8mm hex key (included)

Caution

During assembly, ensure to:

- Do not use a power drill to tighten the screws. Tighten by hand with the allen key provided
- Ensure the maximum weight of users is not exceeded
- Dispose of packaging materials responsibly

Warning

Rules for the safe use of workbenches:

- Ensure these instructions are retained for reference and that users are aware of the rules for safe use
- Do not stand on this bench. Do not use this bench/panel as a step ladder
- If parts are missing, broken, damaged or worn, stop use of this product until repairs are made using factory authorized parts
- Ensure that the maximum load carrying capacities are not exceeded

Note: Illustrations not to scale
